

Costa Rica: Birding & Nature + Pacific Coast Extension | Species List February 11 – 22, 2024 | with Naturalist Journeys

Compiled by guide Kent Skaggs with local guide Johan Fernandez. Our clients included Deborah & Nels, Elizabeth & Peter, Karen & Jim, Leann & Mary Ann, Margaret & Ron and Patricia

Naturalist Journeys 2024 Costa Rica: Nature & Birding featured lots of wonderful birds as expected, with 27 species of hummingbirds, 29 species of flycatchers, 18 species of warblers and 20 species of tanagers and their allies. Even though birds were the focus of the tour, there were always interesting mammals or reptiles or amphibians to see at each stop. To see the complete list of what was seen and where, please keep reading.

BIRDS (250 + 77 = 327 total species recorded, of which 26 were heard only):

(HO)= Distinctive enough to be counted as heard only, pointed out to the group

(#) After family is number of species in the family

(#) After species is the number of days of 7 the bird was seen or heard

(#) After species is the number of days of 4 the bird was seen or heard on the Pacific Coast Extension

(E) = Endemic to Costa Rica

(RE) = Endemic to the region, typically Costa Rica and Panama, sometimes shared with Nicaragua

PCE = Pacific Coast Extension

NOTE: All species seen or heard only on the Pacific Coast Extension will be in blue

TINAMOUS: Tinamidae (1)

Great Tinamou *Tinamus major*— (1/1) A single bird was seen from one of the trails at La Selva Biological Station and was heard at Carara National Park on the PCE.

DUCKS, GEESE AND SWANS: Anatidae (4)

Black-bellied Whistling-Duck *Dendrocygna autumnalis*— (1) A small flock was seen in flight at Angostura Lagoon.

Muscovy Duck *Cairina moschata*— (1) Three were seen at the Ensenada Lodge property.

Blue-winged Teal *Spatula discors*— (1/2) Small numbers seen at Angostura Lagoon with more seen at the Ensenada Lodge property on the PCE.

Lesser Scaup *Aythya affinis*— (1) Small numbers seen at Angostura Lagoon.

GUANS AND CURASSOWS: Cracidae (3)

Gray-headed Chachalaca *Ortalis cinereiceps*— (4) Primarily seen at fruit feeding stations at Pierella Garden, La Quinta Lodge and Rancho Naturalista. Also seen at Guayabo National Monument.

Crested Guan *Penelope purpurescens*—(5) Seen at Pierella Garden, La Selva Biological Station, Rancho Naturalista and Guayabo National Monument.

Black Guan (RE) *Chamaepetes unicolor*— (1) HO, on the trail above the Savegre Mountain Lodge.

PIGEONS AND DOVES: Columbidae (9)

Rock Pigeon (I) *Columba livia*— (1) Many seen while driving through Cartago.

Red-billed Pigeon *Patagioenas flavirostris*— (5) Seen at Hotel Bougainvillea, Pierella Garden and Rancho Naturalista.

Ruddy Pigeon *Patagioenas subvinacea*— (1) HO, on the trail above the Savegre Mountain Lodge.

Short-billed Pigeon *Patagioenas nigrirostris*— (2/1) HO, at La Selva Biological Station, Guayabo National Monument and Carara National Park on the PCE.

Inca Dove *Columbina inca*— (1) Seen at the Ensenada Lodge.

Common Ground Dove *Columbina passerina*— (1) Seen at the Ensenada Lodge.

Ruddy Ground-Dove *Columbina talpacoti*— (2) Seen at Angostura Lagoon.

White-tipped Dove *Leptotila verreauxi*— (2/2) Seen at La Selva Biological Station, La Quinta Lodge, Rancho Naturalista, on the Tarcoles River boat tour and at Carara National Park on the PCE.

White-winged Dove *Zenaida asiatica*— (5/3) Widespread, seen at multiple locations.

CUCKOOS AND ALLIES: Cuculidae (2)

Groove-billed Ani *Crotophaga sulcirostris*— (1/2) Seen at Angostura Lagoon and at Ensenada Lodge and surrounding property on the PCE.

Squirrel Cuckoo *Piaya cayana*— (2) Seen at Virgen del Socorro and La Selva Biological Station.

NIGHTJARS: Caprimulgidae (2)

Lesser Nighthawk *Chordeiles acutipennis*— (1) Four were seen on the Ensenada Lodge property.

Common Pauraque *Nyctidromus albicollis*— (1) One bird seen on the ground close up at Pierella Garden.

SWIFTS: Apodidae (3)

Chestnut-collared Swift *Streptoprocne rutila*— (1) Six were seen flying with White-collared Swifts at Ensenada Lodge.

White-collared Swift *Streptoprocne zonaris*— (1) Seen at Ensenada Lodge.

Gray-rumped Swift *Chaetura cinereiventris*— (1) Seen at La Selva Biological Station.

HUMMINGBIRDS: Trochilidae (27)

White-necked Jacobin *Florisuga mellivora*— (4) Seen at the feeders at Pierella Garden and Rancho Naturalista.

Band-tailed Barbthroat *Threnetes ruckeri*— (1) One seen at the bathing pools at Rancho Naturalista.

Green Hermit *Phaethornis guy*— (1) Seen at Rancho Naturalista.

Stripe-throated Hermit *Phaethornis striigularis*— (2) Seen at Rancho Naturalista.

Lesser Violetear *Colibri cyanotus*— (2) Seen at Paraiso Quetzales, Trogon Lodge and Miriam's Restaurant.

Green-breasted Mango *Anthracothorax prevostii*— (2) Seen at Rancho Naturalista and seen perched on a wire while looking at some oropendola nests shortly after leaving Rancho Naturalista.

Green Thorntail *Discosura conversii*— (1) Seen at Rancho Naturalista.

Black-crested Coquette *Lophornis helenae*— (1) An adult male was seen at Rancho Naturalista feeding in a verbena hedge.

Green-crowned Brilliant *Heliodoxa jacula*— (1) Seen at Colibri Cafe/Cinchona.

Talamanca Hummingbird (RE) *Eugenes spectabilis*— (3) Seen at Colibri Cafe/Cinchona, Paraiso Quetzales, Trogon Lodge and Miriam's Restaurant.

Fiery-throated Hummingbird (RE) *Panterpe insignis*— (2) Seen at Paraiso Quetzales and Miriam's Restaurant.

White-throated Mountain-gem (RE) *Lampornis castaneiventris*— (2) Seen at Paraiso Quetzales, Trogon Lodge and Miriam's Restaurant.

Ruby-throated Hummingbird *Archilochus colubris*— (2) Seen at Ensenada Lodge.

Volcano Hummingbird (RE) *Selasphorus flammula*— (2) Seen at Paraiso Quetzales, Trogon Lodge and Miriam's Restaurant.

Canivet's Emerald *Cyanthus canivetii*— (1) Seen at Ensenada Lodge.

Garden Emerald *Chlorostilbon assimilis*— (1) Seen in the same verbena hedge at Rancho Naturalista as the Black-crested Coquette and Snowcap.

Violet-headed Hummingbird *Klais guimeti*— (1) Seen at Rancho Naturalista.

Violet Sabrewing *Campylopterus hemileucurus*— (1) Seen at Colibri Cafe/Cinchona.
Crowned Woodnymph *Thalurea colombica*— (2) Seen at the feeders and bathing pools at Rancho Naturalista.
Snowcap (RE) *Microchera albocoronata*— (1) A juvenile male and female were seen feeding in a verbena hedge at Rancho Naturalista.
Coppery-headed Emerald (E) *Microchera cupreiceps*— (1) Seen at Colibri Cafe/Cinchona.
Black-bellied Hummingbird (RE) *Eupherusa nigriventris*— (1) A male was seen at Colibri Cafe/Cinchona.
Scaly-breasted Hummingbird *Phaeochroa cuvierii*— (2) One was heard at Pierella Garden and one was seen at La Quinta Lodge.
Blue-vented Hummingbird *Saucerottia hoffmanni*— (3) Seen at Ensenada Lodge and along the Guacimo Road.
Cinnamon Hummingbird *Amazilia rutila*— (2) Seen on the Ensenada Lodge property and along the Guacimo Road.
Rufous-tailed Hummingbird *Amazilia tzacatl*— (5) Seen at Hotel Bougainvillea, La Selva Biological Station, La Quinta Lodge and Rancho Naturalista.
Blue-throated Goldentail *Chlorestes eliciae*— (1) HO, at Carara National Park.

RAILS, COOTS AND ALLIES: Rallidae (4)

Russet-naped Wood-Rail *Aramides albiventris*— (2) One seen at Pierella Garden and a pair on the Sarapiqui River boat tour.
Common Gallinule *Gallinula galeata*— (1) Seen at Angostura Lagoon.
Purple Gallinule *Porphyrio martinica*— (1) Seen at Angostura Lagoon.
White-throated Crake *Laterallus albigularis*— (2) HO, on the Sarapiqui River boat tour and at Angostura Lagoon.

LIMPKIN: Aramidae (1)

Limpkin *Aramus guarauna*— (1) One seen at Angostura Lagoon.

STILTS AND AVOCETS: Recurvirostridae (1)

Black-necked Stilt *Himantopus mexicanus*— (3) Seen on the Tarcoles River boat tour and on the Ensenada Lodge property.

PLOVERS AND LAPWINGS: Charadriidae (4)

Black-bellied Plover *Pluvialis squatarola*— (1) Four were seen on the Tarcoles River boat tour.
Southern Lapwing *Vanellus chilensis*— (3) Seen enroute in the Puerto Viejo de Sarapiqui area, on the Sarapiqui River boat tour and at Angostura Lagoon.
Wilson's Plover *Charadrius wilsonia*— (1) One seen on the Tarcoles River boat tour.
Semipalmated Plover *Charadrius semipalmatus*— (1) Seen on the Tarcoles River boat tour and the Ensenada Lodge property.

JACANAS: Jacanidae (1)

Northern Jacana *Jacana spinosa*— (2/1) Seen at a small wetland along the road in the Puerto Viejo de Sarapiqui area, Angostura Lagoon and the Ensenada Lodge property on the PCE.

SANDPIPERS AND ALLIES: Scolopacidae (11)

Whimbrel *Numenius phaeopus*— (3) Seen on the Tarcoles River boat tour, the Ensenada Lodge property and the Ensenada Lodge boat tour.
Long-billed Curlew *Numenius americanus*— (1) One seen on the Ensenada Lodge boat tour.
Marbled Godwit *Limosa fedoa*— (1) Ten seen on the Ensenada Lodge boat tour.
Ruddy Turnstone *Arenaria interpres*— (1) Five seen on the Tarcoles River boat tour.
Stilt Sandpiper *Calidris himantopus*— (1) Fourteen seen on the Ensenada Lodge property.
Least Sandpiper *Calidris minutilla*— (2) Seen on the Tarcoles River boat tour and on the Ensenada Lodge property.
Short-billed Dowitcher *Limnodromus griseus*— (1) One seen on the Ensenada Lodge boat tour.
Wilson's Snipe *Gallinago delicata*— (1) One seen at Angostura Lagoon.

Spotted Sandpiper *Actitis macularius*— (2/2) Seen on the Sarapiqui River boat tour, Angostura Lagoon, on the Tarcoles River and the Ensenada Lodge boat tours on the PCE.

Greater Yellowlegs *Tringa melanoleuca*— (1) Two seen on the Ensenada Lodge property.

Willet *Tringa semipalmata*— (3) Seen on the Tarcoles River boat tour, the Ensenada Lodge property and on the Ensenada Lodge boat tour.

GULLS, TERNS AND SKIMMERS: Ciconiidae (4)

Laughing Gull *Leucophaeus atricilla*— (2) Seen on the Tarcoles River and the Ensenada Lodge boat tours.

Black Skimmer *Rynchops niger*— (1) Seen on the Tarcoles River boat tour.

Royal Tern *Thalasseus maximus*— (2) Seen on the Tarcoles River and the Ensenada Lodge boat tours.

Sandwich Tern *Thalasseus sandvicensis*— (2) Seen on the Tarcoles River and the Ensenada Lodge boat tours.

SUNBITTERN: Eurypygidae (1)

Sunbittern *Eurypyga helias*— (1) One seen sitting on a nest along a stream in Platanillo.

STORKS: Ciconiidae (1)

Wood Stork *Mycteria americana*— (2/4) One seen high above La Selva Biological Station riding a thermal, another at Angostura Lagoon, two on the Tarcoles River and Ensenada boat tours and on the Ensenada Lodge property on the PCE.

FRIGATEBIRDS: Fregatidae (1)

Magnificent Frigatebird *Fregata magnificens*— (2) Several seen on the Tarcoles River and Ensenada Lodge boat tours and on the Ensenada Lodge property.

ANHINGAS: Anhingidae (1)

Anhinga *Anhinga anhinga*— (2/1) Seen on the Sarapiqui River boat tour, at Angostura Lagoon and on the Ensenada Lodge property on the PCE.

CORMORANTS: Phalacrocoracidae (1)

Neotropic Cormorant *Nannopterum brasilianum*— (1/2) Several seen at Angostura Lagoon, on the Tarcoles River and Ensenada boat tours and on the Ensenada Lodge property on the PCE.

PELICANS: Pelecanidae (1)

Brown Pelican *Pelecanus occidentalis*— (2) Seen on the Tarcoles River and Ensenada Lodge boat tours.

HERONS AND EGRETS: Ardeidae (11)

Bare-throated Tiger-Heron *Tigrisoma mexicanum*— (2/1) Seen at Pierella Garden, La Quinta Lodge and on the Tarcoles River boat tour on the PCE.

Great Blue Heron *Ardea herodias*— (3/2) Seen at a small wetland along the road in the Puerto Viejo de Sarapiqui area, Angostura Lagoon and on the Tarcoles River and Ensenada Lodge boat river tours on the PCE.

Great Egret *Ardea alba*— (3/3) Seen at a small wetland along the road in the Puerto Viejo de Sarapiqui area, Angostura Lagoon, on the Tarcoles River and Ensenada Lodge boat river tours and on the Ensenada Lodge property on the PCE.

Snowy Egret *Egretta thula*— (1/3) Seen at Angostura Lagoon, on the Tarcoles River and Ensenada Lodge boat river tours and on the Ensenada Lodge property on the PCE.

Little Blue Heron *Egretta caerulea*— (2/3) Seen on the Sarapiqui River boat tour, Angostura Lagoon, on the Tarcoles River and Ensenada Lodge boat river tours and on the Ensenada Lodge property on the PCE.

Tricolored Heron *Egretta tricolor*— (2/2) Seen on the Sarapiqui River boat tour, Angostura Lagoon and on the Tarcoles River and Ensenada Lodge boat river tours on the PCE.

Western Cattle Egret *Bubulcus ibis*— (5/2) Seen at multiple locations

Green Heron *Butorides virescens*— (3/1) Seen on the Sarapiqui River boat tour, La Quinta Lodge, Angostura Lagoon and Ensenada Lodge boat river tour on the PCE.

Black-crowned Night-Heron *Nycticorax nycticorax*— (2) Seen on the Tarcoles River and Ensenada Lodge boat river tours on the PCE.

Yellow-crowned Night-Heron *Nyctanassa violacea*— (1/3) Seen at Angostura Lagoon, on the Tarcoles River and Ensenada Lodge boat river tours and on the Ensenada Lodge property on the PCE.

Boat-billed Heron *Cochlearius cochlearius*— (1) One seen on the Tarcoles River boat tour.

IBIS AND SPOONBILLS: Threskiornithidae (3)

White Ibis *Eudocimus albus*—(3) Several seen on the Tarcoles River and Ensenada Lodge boat tours and on the Ensenada Lodge property.

Green Ibis *Mesembrinibis cayennensis*—(2) Seen and heard at the La Quinta Lodge and seen on the Sarapiqui River boat tour.

Roseate Spoonbill *Platalea ajaja*— (2) Seen on the Tarcoles River boat tour and on the Ensenada Lodge property.

NEW WORLD VULTURES: Cathartidae (3)

King Vulture *Sarcoramphus papa*— (1) A single bird was seen gliding high above the forest at La Selva Biological Station.

Black Vulture *Coragyps atratus*— (6/3) Numerous, seen almost daily.

Turkey Vulture *Cathartes aura*— (7/3) Numerous, seen almost daily.

OSPREY: Pandionidae (1)

Osprey *Pandion haliaetus*— (2) Seen on the Tarcoles River and Ensenada Lodge boat river tours on the PCE.

HAWKS, KITES AND EAGLES: Accipitridae (7)

Snail Kite *Rostrhamus sociabilis*— (1) A few were seen at Angostura Lagoon.

Bicolored Hawk *Accipiter bicolor*— (1) One seen at Rancho Naturalista.

Common Black Hawk *Buteogallus anthracinus*— (1) Two Seen on the Tarcoles River boat river tour on the PCE.

Roadside Hawk *Rupornis magnirostris*— (1) One seen and heard at Guayabo National Monument.

Broad-winged Hawk *Buteo platypterus*— (1) One seen on the way to Cinchona on the 12th.

Short-tailed Hawk *Buteo brachyurus*— (1/1) One seen in flight at Colibri Cafe/Cinchona and one on the Ensenada Lodge property on the PCE.

Red-tailed Hawk *Buteo jamaicensis*— (2) One seen on the way to Cinchona on the 12th.

OWLS: Strigidae (4)

Pacific Screech-Owl *Megascops cooperi*— (1) One seen at the Ensenada Lodge on the PCE.

Costa Rican Pygmy-Owl (RE) *Glaucidium costaricanum*— (1) One seen and two others heard on the trail above the Savegre Mountain Lodge.

Ferruginous Pygmy-Owl *Glaucidium brasilianum*— (1/4) One seen at Hotel Bougainvillea, one on the Tarcoles River boat tour, two at the Ensenada Lodge and another on the Ensenada Lodge property on the PCE.

Mottled Owl *Strix virgata*— (2) Two seen at Hotel Bougainvillea.

TROGONS: Trogonidae (5)

Resplendent Quetzal *Pharomachrus mocinno*— (2) Two males and three females seen at Paraiso Quetzales, a male and female seen at Trogon Lodge and two others heard on the trail above the Savegre Mountain Lodge.

Slaty-tailed Trogon *Trogon massena*— (1) Two males and a female seen at La Selva Biological Station.

Black-headed Trogon *Trogon melanocephalus*— (3) Seen on the Tarcoles River boat tour and on the Ensenada Lodge property.

Gartered Trogon *Trogon caligatus*— (2) Heard at Pierella Garden and two seen at La Selva Biological Station.

Northern Black-throated Trogon *Trogon rufus*— (2) Heard on the 13th and two seen on the 14th at La Quinta Lodge.

MOTMOTS: Momotidae (4)

Lesson's Motmot *Momotus lessonii*— (4/1) Seen at Hotel Bougainvillea, Rancho Naturalista and Carara National Park on the PCE.

Rufous Motmot *Baryphthengus martii*— (2) Seen and heard at La Selva Biological Station and heard at Rancho Naturalista.

Broad-billed Motmot *Electron platyrhynchum*— (2) Seen at La Quinta Lodge and La Selva Biological Station on the 13th and heard at La Quinta on the morning of the 14th.

Turquoise-browed Motmot *Eumomota superciliosa*— (1) One seen on the Ensenada Lodge property.

KINGFISHERS: Alcedinidae (5)

Ringed Kingfisher *Megaceryle torquata*— (1/1) One briefly seen but heard as well at La Quinta Lodge and one seen on the Tarcoles River boat tour on the PCE.

Belted Kingfisher *Megaceryle alcyon*— (2) Seen on the Tarcoles River and Ensenada Lodge boat tours.

Amazon Kingfisher *Chloroceryle amazona*— (1/1) One seen from the suspension bridge at La Selva Biological Station, one on the Sarapiquí River boat tour and two on the Tarcoles River boat tour on the PCE.

American Pygmy Kingfisher *Chloroceryle aenea*— (1) One seen on the Tarcoles River boat tour.

Green Kingfisher *Chloroceryle americana*— (1/1) Two seen on the Sarapiquí River boat tour and one on the Tarcoles River boat tour on the PCE.

PUFFBIRDS: Bucconidae (2)

White-necked Puffbird *Notharchus hyperrhynchus*— (1) Two seen at Carara National Park.

White-whiskered Puffbird *Malacoptila panamensis*— (1) One seen at Ensenada Lodge.

JACAMARS: Galbulidae (1)

Rufous-tailed Jacamar *Galbula ruficauda*— (1) One seen at Pierella Garden.

NEW WORLD BARBETS: Capitonidae (1)

Red-headed Barbet *Eubucco bourcierii*— (1) One seen at Colibri Cafe/Cinchona.

TOUCANS: Ramphastidae (4)

Northern Emerald-Toucanet *Aulacorhynchus prasinus*—(1) One seen at Colibri Cafe/Cinchona.

Collared Aracari *Pteroglossus torquatus*—(4) Seen at Pierella Garden, La Selva Biological Station, La Quinta Lodge and Rancho Naturalista.

Yellow-throated Toucan *Ramphastos ambiguus*— (4) Seen at Pierella Garden, La Quinta Lodge, La Selva Biological Station, on the Sarapiquí River boat tour and heard at Guayabo National Monument.

Keel-billed Toucan *Ramphastos sulfuratus*— (3) Heard and then seen at Rancho Naturalista and seen again at Guayabo National Monument.

WOODPECKERS: Picidae (11)

Yellow-bellied Sapsucker *Sphyrapicus varius*— (1) One seen on the trail above the Savegre Mountain Lodge.

Acorn Woodpecker *Melanerpes formicivorus*— (1) A family group seen on the trail above the Savegre Mountain Lodge and a single bird at Miriam's Restaurant.

Black-cheeked Woodpecker *Melanerpes pucherani*— (4) Seen at Pierella Garden, La Quinta Lodge, La Selva Biological Station, Rancho Naturalista and Angostura Lagoon.

Hoffmann's Woodpecker (RE) *Melanerpes hoffmannii*— (1/2) Seen at Hotel Bougainvillea, on the Tarcoles River boat tour, Carara National Park and on the Ensenada Lodge property on the PCE.

Hairy Woodpecker *Dryobates villosus*— (1) One bird seen at Miriam's Restaurant.

Pale-billed Woodpecker *Campephilus guatemalensis*— (1) One seen at Ensenada Lodge.

Lineated Woodpecker *Dryocopus lineatus*— (2/2) Seen at Hotel Bougainvillea, Angostura Lagoon and at Ensenada Lodge on the PCE.

Cinnamon Woodpecker *Celeus loricatus*— (1) HO, on the Sarapiqui River boat tour.

Chestnut-colored Woodpecker *Celeus castaneus*— (2) Seen at Pierella Garden and La Selva Biological Station.

Rufous-winged Woodpecker (RE) *Piculus simplex*— (1) Seen at La Selva Biological Station.

Golden-olive Woodpecker *Colaptes rubiginosus*— (2) HO, at Colibri Cafe/Cinchona and Rancho Naturalista.

FALCONS AND CARACARAS: Falconidae (6)

Laughing Falcon *Herpetotheres cachinnans*— (1/1) Heard at Rancho Naturalista and seen at Ensenada Lodge on the PCE.

Collared Forest-Falcon *Micrastur semitorquatus*— (1) One seen at Carara National Park.

Barred Forest-Falcon *Micrastur ruficollis*— (1) HO, at Angostura Lagoon.

Crested Caracara *Caracara plancus*— (4) Two seen together enroute near Cinchona.

Yellow-headed Caracara *Daptrius chimachima*— (2) Seen at Hotel Bougainvillea and Angostura Lagoon.

Peregrine Falcon *Falco peregrinus*— (1) One seen on the Tarcoles River boat tour.

PARROTS: Psittacidae (11)

Barred Parakeet *Bolborhynchus lineola*— (2) Seen at Trogon Lodge and Miriam's Restaurant.

Orange-chinned Parakeet *Brotogeris jugularis*— (3/2) Seen at Hotel Bougainvillea, Pierella Garden, La Selva Biological Station, heard at Angostura Lagoon and seen on the Ensenada Lodge property on the PCE.

Brown-hooded Parrot *Pyrilia haematotis*— (1) Seen at Rancho Naturalista.

White-crowned Parrot *Pionus senilis*— (3) Seen at La Selva Biological Station, Rancho Naturalista and Angostura Lagoon.

Red-lored Parrot *Amazona autumnalis*— (2) Seen at Pierella Garden and La Quinta Lodge.

Yellow-naped Parrot *Amazona auropalliata*— (3) Seen on the Tarcoles River boat tour and at Ensenada Lodge.

White-fronted Parrot *Amazona albifrons*— (2) Seen on the Ensenada Lodge property.

Sulphur-winged Parakeet (RE) *Pyrrhura hoffmanni*— (1) HO, on the trail above the Savegre Mountain Lodge.

Orange-fronted Parakeet *Eupsittula canicularis*— (2) Seen at the Ensenada Lodge.

Scarlet Macaw *Ara macao*— (2/2) Seen near Puerto Viejo de Sarapiqui, on the Tarcoles River boat tour and Carara National Park on the PCE.

Crimson-fronted Parakeet (RE) *Psittacara finschi*— (3) Seen at Hotel Bougainvillea and Rancho Naturalista.

ANTBIRDS: Thamnophilidae (4)

Fasciated Antshrike *Cymbilaimus lineatus*— (1) Seen at Pierella Garden and La Selva Biological Station.

Black-hooded Antshrike (RE) *Thamnophilus bridgesi*— (1) One seen at Carara National Park.

Dusky Antbird *Cercomacroides tyrannina*— (1) One seen at Carara National Park.

Chestnut-backed Antbird *Poliocrania exsul*— (1/1) Heard at La Quinta Lodge and La Selva Biological Station and seen at Carara National Park on the PCE.

ANTPITTAS: Grallariidae (1)

Streak-chested Antpitta *Hylopezus perspicillatus*— (1) Seen at Carara National Park.

TAPACULOS: Rhinocryptidae (1)

Silvery-fronted Tapaculo (RE) *Scytalopus argentifrons*— (1) HO, on the trail above Savegre Mountain Lodge.

OVENBIRDS AND WOODCREEPERS: Furnariidae (12)

Plain-brown Woodcreeper *Dendrocincla fuliginosa*— (2) HO, at Rancho Naturalista.

Wedge-billed Woodcreeper *Glyphorhynchus spirurus*— (1) Two seen at Pierella Garden.

Northern Barred-Woodcreeper *Dendrocolaptes sanctithomae*— (1) HO, at Rancho Naturalista.

Cocoa Woodcreeper *Xiphorhynchus susurrans*— (2/1) Seen at La Selva Biological Station, Rancho Naturalista, Angostura Lagoon and Carara National Park on the PCE.

Streak-headed Woodcreeper *Lepidocolaptes souleyetii*— (2) Heard at La Selva Biological Station and seen in the Sarapiquí area.

Spot-crowned Woodcreeper *Lepidocolaptes affinis*— (1) HO, on the trail above the Savegre Mountain Lodge.

Plain Xenops *Xenops minutus*— (1) Two seen at Carara National Park.

Buffy Tuftedcheek (RE) *Pseudocolaptes lawrencii*— (1) One seen on the trail above the Savegre Mountain Lodge.

Fawn-throated Foliage-gleaner *Automolus ochrolaemus*— (1) HO, at Rancho Naturalista.

Spotted Barbtail *Premnoplex brunnescens*— (1) One seen on the trail above the Savegre Mountain Lodge.

Ruddy Treerunner (RE) *Margarornis rubiginosus*— (1) Seen on the trail above the Savegre Mountain Lodge.

Slaty Spinetail *Synallaxis brachyura*— (1) HO, at Angostura Lagoon.

MANAKINS: Pipridae (3)

Long-tailed Manakin *Chiroxiphia linearis*— (1) HO, at Carara National Park.

Velvety Manakin *Lepidothrix velutina*— (1) One seen at Carara National Park.

White-collared Manakin *Manacus candei*— (5) Seen at Pierella Garden, La Selva Biological Station, La Quinta Lodge, Rancho Naturalista and heard at Guayabo National Monument.

COTINGAS: Cotingidae (1)

Lovely Cotinga *Cotinga amabilis*— (1) A male was seen perched in the top of a tree at Rancho Naturalista.

BECARDS AND TITYRAS: Tityridae (4)

Black-crowned Tityra *Tityra inquisitor*— (1) Seen in the same tree as the Lovely Cotinga at Rancho Naturalista.

Masked Tityra *Tityra semifasciata*— (3) A pair were seen at La Selva Biological Station, one at La Quinta Lodge and another pair at Angostura Lagoon.

Barred Becard *Pachyramphus versicolor*— (1) HO, on the trail above the Savegre Mountain Lodge.

Cinnamon Becard *Pachyramphus cinnamomeus*— (2) Seen at La Selva Biological Station and Rancho Naturalista.

ROYAL FLYCATCHER AND ALLIES: Oxyruncidae (2)

Tropical Royal Flycatcher *Onychorhynchus coronatus*— (1) One seen at Carara National Park.

Sulphur-rumped Flycatcher *Myiobius sulphureipygius*— (1) One seen at Carara National Park.

TYRANT FLYCATCHERS: Tyrannidae (29)

Ochre-bellied Flycatcher *Mionectes oleagineus*— (1) Seen at Rancho Naturalista.

Slaty-capped Flycatcher *Leptopogon superciliaris*— (1) HO, at Rancho Naturalista.

Scale-crested Pygmy-Tyrant *Lophotriccus pileatus*— (1) HO, at Guayabo National Monument.

Common Tody-Flycatcher *Todirostrum cinereum*— (2/1) Seen at Virgen del Socorro, La Selva Biological Station and along the Guacimo Road on the PCE.

Black-headed Tody-Flycatcher *Todirostrum nigriceps*— (1) HO, at La Selva Biological Station.

Yellow-olive Flatbill *Tolmomyias sulphurescens*— (1) HO, at Guayabo National Monument.

Yellow Tyrannulet *Capsiempis flaveola*— (2) Seen at Virgen del Socorro and Angostura Lagoon.

Yellow-bellied Elaenia *Elaenia flavogaster*— (1) Seen at Rancho Naturalista.

Mountain Elaenia *Elaenia frantzii*— (1) Seen at Trogon Lodge.

Torrent Tyrannulet *Serpophaga cinerea*— (1) A pair were seen along the stream in Platanillo while searching for the Sunbittern.

Tufted Flycatcher *Mitrephanes phaeocercus*— (1) Seen on the trail above the Savegre Mountain Lodge.

Northern Tropical Pewee *Contopus bogotensis*— (1) One seen on the Tarcoles River boat tour.

Yellow-bellied Flycatcher *Empidonax flaviventris*— (1) HO, at La Selva Biological Station.

Yellowish Flycatcher *Empidonax flavescens*— (1) Seen on the trail above the Savegre Mountain Lodge.

Black Phoebe *Sayornis nigricans*— (1) One seen along the stream in Platanillo while searching for the Sunbittern.

Northern Scrub-Flycatcher *Sublegatus arenarum*— (1) One seen on the Tarcoles River boat tour.

Long-tailed Tyrant *Colonia colonus*— (2) Seen at Pierella Garden and La Selva Biological Station.

Bright-rumped Attila *Attila spadiceus*— (5) Seen at La Quinta Lodge and heard at La Selva Biological Station, on the Sarapiquí River boat tour and at Rancho Naturalista.

Dusky-capped Flycatcher *Myiarchus tuberculifer*— (2) Heard at La Selva Biological Station and seen at Rancho Naturalista.

Panama Flycatcher *Myiarchus panamensis*—(1) One seen in the Espiritu Santo district of Puntarenas.

Great Crested Flycatcher *Myiarchus crinitus*—(1) One seen at Virgen del Socorro.

Brown-crested Flycatcher *Myiarchus tyrannulus*—(3) Seen at Carara National Park and on the Ensenada Lodge property.

Great Kiskadee *Pitangus sulphuratus*— (6/3) Widespread, seen or heard at multiple locations.

Boat-billed Flycatcher *Megarynchus pitangua*— (3/1) Seen at Hotel Bougainvillea, Rancho Naturalista and at the Ensenada Lodge on the PCE.

Social Flycatcher *Myiozetetes similis*— (5) Seen at multiple locations on the Caribbean side.

Gray-capped Flycatcher *Myiozetetes granadensis*— (3) Seen at multiple locations on the Caribbean side.

Streaked Flycatcher *Myiodynastes maculatus*— (2) Seen in the Espiritu Santo district of Puntarenas and on the Ensenada Lodge property.

Tropical Kingbird *Tyrannus melancholicus*—(4/3) Widespread, seen or heard at multiple locations.

Scissor-tailed Flycatcher *Tyrannus forficatus*— (1) One seen along the Guacimo Road.

VIREOS: Vireonidae (5)

Rufous-browed Peppershrike *Cyclarhis gujanensis*— (1) HO, on the trail above the Savegre Mountain Lodge.

Lesser Greenlet *Pachysylvia decurtata*— (1) HO, at Carara National Park.

Yellow-throated Vireo *Vireo flavifrons*— (1) Seen at Rancho Naturalista.

Yellow-winged Vireo (RE) *Vireo carmioli*— (1) One seen on the trail above the Savegre Mountain Lodge.

Philadelphia Vireo *Vireo philadelphicus*— (3) Seen at Hotel Bougainvillea, Virgen del Socorro, Rancho Naturalista and along the Guacimo Road on the PCE.

CROWS AND JAYS: Corvidae (2)

White-throated Magpie-Jay *Calositta formosa*— (1) Two seen at the Ensenada Lodge.

Brown Jay *Psilorhinus morio*— (2) Seen at Rancho Naturalista and Guayabo National Monument.

SWALLOWS AND MARTINS: Hirundinidae (5)

Blue-and-white Swallow *Pygochelidon cyanoleuca*— (3) Seen at Rancho Naturalista, near Guayabo National Monument and Trogon Lodge.

Northern Rough-winged Swallow *Stelgidopteryx serripennis*— (1) Several seen flying over a stream in Platanillo.

Southern Rough-winged Swallow *Stelgidopteryx ruficollis*— (4) Most were seen on the Sarapiquí River boat tour, with additional sightings in the Sarapiquí area and in Platanillo.

Mangrove Swallow *Tachycineta albilinea*— (1/2) Seen on the Sarapiquí River boat tour and the Tarcoles River and Ensenada Lodge boat tours on the PCE.

Barn Swallow *Hirundo rustica*— (1) Seen on the Ensenada Lodge boat tour.

GNATCATCHERS AND GNATWRENS: Polioptilidae (3)

Long-billed Gnatwren *Ramphocaenus melanurus*— (2/1) Seen at La Selva Biological Station, heard at Guayabo National Monument and seen again at Carara National Park on the PCE.

White-browed Gnatcatcher *Polioptila bilineata*— (1) Seen along the Guacimo Road.

White-lored Gnatcatcher *Polioptila albiloris*— (1) Seen at the Ensenada Lodge.

WRENS: Troglodytidae (12)

House Wren *Troglodytes aedon*— (4) Heard at Hotel Bougainvillea, seen near Puerto Viejo de Sarapiquí and heard at Rancho Naturalista.

Ochraceous Wren (RE) *Troglodytes ochraceus*— (1) Seen on the trail above the Savegre Mountain Lodge.

Rufous-naped Wren *Campylorhynchus rufinucha*— (1/1) Seen at Hotel Bougainvillea and Carara National Park on the PCE.

Black-throated Wren (RE) *Pheugopedius atrogularis*— (3) Seen at Pierella Garden and heard at La Selva Biological Station and Rancho Naturalista.

Banded Wren *Thryophilus pleurostictus*— (2) Seen at the Ensenada Lodge.

Rufous-and-white Wren *Thryophilus rufalbus*— (1) Seen at Carara National Park.

Stripe-breasted Wren (RE) *Cantorchilus thoracicus*— (1) Seen at Guayabo National Monument.

Cabanis's Wren *Cantorchilus modestus*— (2) Seen and heard at Hotel Bougainvillea and heard at Angostura Lagoon.

Riverside Wren *Cantorchilus semibadius*— (1) Seen at Carara National Park.

Bay Wren *Cantorchilus nigricapillus*— (1) Seen and heard at La Selva Biological Station and on the Sarapiquí River boat tour.

White-breasted Wood-Wren *Henicorhina leucosticta*— (3) Heard at La Quinta Lodge and heard and seen at Rancho Naturalista.

Gray-breasted Wood-Wren *Henicorhina leucophrys*— (1) Seen on the trail above the Savegre Mountain Lodge.

THRUSHES: Turdidae (6)

Black-faced Solitaire (RE) *Myadestes melanops*— (1) Seen and heard on the trail above the Savegre Mountain Lodge.

Black-billed Nightingale-Thrush *Catharus gracilirostris*— (1) One seen at Paraiso Quetzales.

Ruddy-capped Nightingale-Thrush *Catharus frantzii*— (1) Seen and heard on the trail above the Savegre Mountain Lodge.

Wood Thrush *Hylocichla mustelina*— (2) Seen at Pierella Garden and at La Quinta Lodge.

Clay-colored Thrush *Turdus grayi*— (5/1) National bird of Costa Rica. Seen at multiple locations.

Sooty Thrush (RE) *Turdus nigrescens*— (1) Seen at Trogon Lodge and at Miriam's Restaurant.

SILKY-FLYCATCHERS: Ptilionotidae (2)

Black-and-yellow Silky-flycatcher (RE) *Phainoptila melanoxantha*— (1) Seen at Paraiso Quetzales.

Long-tailed Silky-flycatcher (RE) *Ptiliogonys caudatus*— (1) Seen at Paraiso Quetzales.

OLD WORLD SPARROWS: Passeridae (1)

House Sparrow *Passer domesticus*— (1) Seen in Puerto Viejo de Sarapiquí.

FINCHES AND EUPHONIAS: Fringillidae (5)

Golden-browed Chlorophonia (RE) *Chlorophonia callophrys*— (1) Seen on the trail above the Savegre Mountain Lodge and at Miriam's Restaurant.

Yellow-crowned Euphonia (RE) *Euphonia luteicapilla*— (1) Seen at Pierella Garden.

White-vented Euphonia *Euphonia minuta*— (1) Seen at Rancho Naturalista.

Yellow-throated Euphonia *Euphonia hirundinacea*— (2) Seen at Pierella Garden and Rancho Naturalista.

Olive-backed Euphonia *Euphonia gouldi*— (3) Seen at Pierella Garden, La Selva Biological Station and Rancho Naturalista.

NEW WORLD SPARROWS: Passerellidae (10)

Sooty-capped Chlorospingus *Chlorospingus pileatus*— (2) Seen at Paraiso Quetzales, Trogon Lodge, on the trail above the Savegre Mountain Lodge and at Miriam's Restaurant.

Common Chlorospingus *Chlorospingus flavopectus*— (1) Seen at Colibri Cafe/Cinchona.

Stripe-headed Sparrow *Peucaea ruficauda*— (2) Seen at the Ensenada Lodge.

Olive Sparrow *Arremonops rufivirgatus*— (1) Seen along the Guacimo Road.

Black-striped Sparrow *Arremonops conirostris*— (1) Seen at Rancho Naturalista.

Orange-billed Sparrow *Arremon aurantiirostris*— (5) Seen at Pierella Garden, La Selva Biological Station, La Quinta Lodge, Rancho Naturalista and Guayabo National Monument.

Chestnut-capped Brushfinch *Arremon brunneinucha*— (1) HO, at Colibri Cafe/Cinchona.

Rufous-collared Sparrow *Zonotrichia capensis*— (3) Seen at Hotel Bougainvillea, Paraiso Quetzales, Trogon Lodge and Miriam's Restaurant.

Large-footed Finch (RE) *Pezopetes capitalis*— (2) Seen at Paraiso Quetzales, Trogon Lodge and Miriam's Restaurant.

Yellow-thighed Brushfinch (RE) *Atlapetes tibialis*— (2) Seen at Paraiso Quetzales, on the trail above the Savegre Mountain Lodge and Miriam's Restaurant.

BLACKBIRDS AND ORIOLES: Icteridae (11)

Chestnut-headed Oropendola *Psarocolius wagleri*— (2) Seen at Rancho Naturalista and Guayabo National Monument.

Montezuma Oropendola *Psarocolius montezuma*— (5) Widespread, seen at multiple locations.

Scarlet-rumped Cacique *Cacicus uropygialis*— (1) HO, at La Selva Biological Station.

Black-cowled Oriole *Icterus prothemelas*— (1) Seen at Rancho Naturalista.

Streak-backed Oriole *Icterus pustulatus*— (2) [Seen at the Ensenada Lodge.](#)

Spot-breasted Oriole *Icterus pectoralis*— (1) [Seen at the Ensenada Lodge.](#)

Baltimore Oriole *Icterus galbula*— (4/1) Seen at multiple locations.

Red-winged Blackbird *Agelaius phoeniceus*— (2) Seen at Angostura Lagoon and on the Tarcoles River boat tour on the PCE.

Shiny Cowbird *Molothrus bonariensis*— (1) Seen at La Selva Biological Station.

Melodious Blackbird *Dives dives*— (2/2) Heard at Hotel Bougainvillea, seen at Rancho Naturalista, on the Tarcoles River boat tour and on the Ensenada Lodge property on the PCE.

Great-tailed Grackle *Quiscalus mexicanus*— (6/2) Widespread, seen at multiple locations.

NEW WORLD WARBLERS: Parulidae (18)

Northern Waterthrush *Parkesia noveboracensis*— (1/1) Seen on the Sarapiquí River boat tour and on the Ensenada Lodge boat tour on the PCE.

Golden-winged Warbler *Vermivora chrysoptera*— (2) Seen at La Selva Biological Station and Rancho Naturalista.

Black-and-white Warbler *Mniotilta varia*— (1) Seen at Rancho Naturalista.

Prothonotary Warbler *Protonotaria citrea*— (2) [Seen on the Tarcoles River boat tour and in the Espiritu Santo district of Puntarenas.](#)

Flame-throated Warbler (RE) *Oreothlypis gutturalis*— (1) Seen on the trail above the Savegre Mountain Lodge.

Tennessee Warbler *Leiothlypis peregrina*— (6/1) Seen at multiple locations.

Mourning Warbler *Geothlypis philadelphia*— (1) Seen while looking for the Sunbittern in Platanillo.

Tropical Parula *Setophaga pitayumi*— (3) Seen at Colibri Cafe/Cinchona, Virgen del Socorro, Rancho Naturalista and heard at Guayabo National Monument.

Blackburnian Warbler *Setophaga fusca*— (2) Seen at Rancho Naturalista and Paraiso Quetzales.

Yellow Warbler *Setophaga petechia*— (1/4) Seen at Angostura Lagoon and multiple locations on the PCE.

Chestnut-sided Warbler *Setophaga pensylvanica*— (3/1) Seen at La Quinta Lodge, La Selva Biological Station, Rancho Naturalista and Carara National Park on the PCE.

Black-throated Green Warbler *Setophaga virens*— (2) Seen at Virgen del Socorro and on the trail above the Savegre Mountain Lodge.

Chestnut-capped Warbler *Basileuterus delatirii*— (1) Seen at Rancho Naturalista.

Black-cheeked Warbler *Basileuterus melanogenys*— (1) Seen on the trail above the Savegre Mountain Lodge.

Golden-crowned Warbler *Basileuterus culicivorus*— (2) Seen at Rancho Naturalista and Guayabo National Monument.

Buff-rumped Warbler *Myiothlypis fulvicauda*— (3/1) Seen from the suspension bridge at La Selva Biological Station, on the Sarapiquí River boat tour, along the stream in Platanillo and Carara National Park on the PCE.

Wilson's Warbler *Cardellina pusilla*— (2) Seen at Rancho Naturalista, Trogon Lodge and on the trail above the Savegre Mountain Lodge.

Collared Redstart (RE) *Myioborus torquatus*— (1) Seen on the trail above the Savegre Mountain Lodge.

CARDINAL-GROSBEAKS: Cardinalidae (8)

Summer Tanager *Piranga rubra*— (4) Seen at Hotel Bougainvillea and Rancho Naturalista.

Flame-colored Tanager *Piranga bidentata*— (2) Seen at Paraiso Quetzales, Trogon Lodge and Miriam's Restaurant.

Red-throated Ant-Tanager *Habia fuscicauda*— (3) Seen at Pierella Garden, La Quinta Lodge and Rancho Naturalista.

Carmioli's Tanager *Chlorothraupis carmioli*— (1) HO, near the bathing pools at Rancho Naturalista.

Black-faced Grosbeak *Caryothraustes poliogaster*— (2) Seen at Pierella Garden and La Selva Biological Station.

Black-thighed Grosbeak (RE) *Pheucticus tibialis*— (2) Seen at Virgen del Socorro and on the trail above the Savegre Mountain Lodge.

Rose-breasted Grosbeak *Pheucticus ludovicianus*— (1) Seen on the Ensenada Lodge property.

Blue-black Grosbeak *Cyanoloxia cyanoides*— (1) Male seen at La Quinta Lodge.

TANAGERS AND ALLIES: Thraupidae (20)

White-lined Tanager *Tachyphonus rufus*— (1) Seen at La Quinta Lodge.

Crimson-collared Tanager *Ramphocelus sanguinolentus*— (2) Seen at Colibri Cafe/Cinchona, Virgen del Socorro and La Quinta Lodge.

Scarlet-rumped Tanager *Ramphocelus passerinii*— (4) Seen at multiple locations on the Caribbean side.

Blue-gray Tanager *Thraupis episcopus*— (4/1) Seen at multiple locations.

Yellow-winged Tanager *Thraupis abbas*— (1) Seen at Colibri Cafe/Cinchona.

Palm Tanager *Thraupis palmarum*— (3) Seen at Colibri Cafe/Cinchona, Pierella Garden and La Selva Biological Station.

Golden-hooded Tanager *Stilpnia larvata*— (3) Seen at Virgen del Socorro, Pierella Garden, La Quinta Lodge and Rancho Naturalista.

Silver-throated Tanager *Tangara icterocephala*— (4) Seen at Colibri Cafe/Cinchona, La Selva Biological Station, Rancho Naturalista and heard at Guayabo National Monument.

Scarlet-thighed Dacnis *Dacnis venusta*— (3) Seen at Virgen del Socorro, La Selva Biological Station and Rancho Naturalista.

Blue Dacnis *Dacnis cayana*— (1) Seen at Rancho Naturalista.

Red-legged Honeycreeper *Cyanerpes cyaneus*— (2) Seen at Colibri Cafe/Cinchona, Pierella Garden and La Quinta Lodge.

Green Honeycreeper *Chlorophanes spiza*— (3) Seen at La Quinta Lodge and Rancho Naturalista.

Slaty Flowerpiercer (RE) *Diglossa plumbea*— (2) Seen at Paraiso Quetzales and Trogon Lodge.

Blue-black Grassquit *Volatinia jacarina*— (1) Seen at Virgen del Socorro.

Variable Seedeater *Sporophila corvina*— (4) Seen at Virgen del Socorro, La Selva Biological Station, La Quinta Lodge, Sarapiquí area and Angostura Lagoon.

Bananaquit *Coereba flaveola*— (2) Seen at Colibri Cafe/Cinchona, Virgen del Socorro and Rancho Naturalista.

Yellow-faced Grassquit *Tiaris olivaceus*— (2) Seen at Rancho Naturalista.

Buff-throated Saltator *Saltator maximus*— (4/1) Seen at Colibri Cafe/Cinchona, Pierella Garden, La Quinta Lodge, Rancho Naturalista and Carara National Park on the PCE.

Black-headed Saltator *Saltator atriceps*— (1) HO, at Rancho Naturalista.

Cinnamon-bellied Saltator *Saltator grandis*— (1) HO, at Hotel Bougainvillea.

MAMMALS (13 species recorded):

Brown-throated Three-toed Sloth *Bradypus variegatus*— (2) Seen at La Selva Biological Station and Guayabo National Monument.

Hoffmann's Two-toed Sloth *Choloepus hoffmanni*— (1) Seen at Pierella Garden.

Lesser White-lined Bat *Saccopteryx leptura*— (1) Seen at the La Quinta Lodge.

Proboscis Bat *Rhynchonycteris naso*— (2) Seen on the Sarapiquí River boat tour.

Honduran White Bat *Ectophylla alba*— (1) Seen at Pierella Garden.

Mexican Hairy Dwarf Porcupine *Sphiggurus mexicanus*— (1) Seen at Pierella Garden.

Central American Agouti *Dasyprocta punctata*— (3) Seen at La Selva Biological Station and Rancho Naturalista.

Variegated Squirrel *Sciurus variegatoides*— (4) Seen at Hotel Bougainvillea, Rancho Naturalista and Guayabo National Monument.

Red-tailed Squirrel *Sciurus granatensis*— (5) Seen at multiple locations.

White-throated Capuchin *Cebus capucinus*— (1) Seen on the Sarapiqui River boat tour.

Mantled Howler Monkey *Alouatta palliata*— (2) Seen and heard at Pierella Garden and on the Sarapiqui River boat tour.

White-nosed Coati *Nasua narica*— (3) Seen along the road on the way to Cinchona and at Rancho Naturalista.

Neotropic River Otter *Lontra longicaudis*— (1) One seen on the Sarapiqui River boat tour.

REPTILES AND AMPHIBIANS (8 species recorded):

American Crocodile *Crocodylus acutus*— (1) One seen on the Sarapiqui River boat tour and on the Tarcoles River boat tour on the PCE.

Spectacled Caiman *Caiman crocodilus*— (1) One seen at La Quinta Lodge.

Green Iguana *Iguana iguana*— (2) Seen at Hotel Bougainvillea and La Selva Biological Station.

Emerald (Green) Basilisk *Basiliscus plumifrons*— (1) Seen on the Sarapiqui River boat tour.

Common Basilisk *Basiliscus basiliscus*— (1) One seen at Pierella Garden.

Red-eyed Tree Frog *Agalychnis callidryas*— (1) Seen at La Quinta Lodge.

Strawberry Poison Dart Frog *Oophaga pumilio*— (2) Seen at Pierella Garden and La Selva Biological Station.

Green and Black Poison Dart Frog *Dendrobates auratus*— (1) Seen at Pierella Garden.

LOCATIONS FOR 2024:

Feb. 11 – Hotel Bougainvillea

Feb. 12 – Hotel Bougainvillea / Cinchona-Colibri Cafe / Virgen del Socorro / Pierella Garden

Feb. 13 – La Quinta Lodge / La Selva Biological Station / Sarapiqui River Boat Tour

Feb. 14 – La Quinta Lodge / Sarapiqui area / Rancho Naturalista

Feb. 15 – Rancho Naturalista / Angostura Lagoon / Platanillo

Feb. 16 – Guayabo National Monument / Paraiso de Quetzales / Trogon Lodge

Feb. 17 – Trogon Lodge / Sevegre Mt. Lodge / Miriam's Restaurant

Feb. 18 – Departures / Extension - Tarcoles River Boat Tour

Feb. 19 – Extension - Carara National Park / Ensenada Lodge

Feb. 20 – Extension - Ensenada Lodge / Ensenada Lodge Boat Tour

Feb. 21 – Extension - Ensenada Lodge

Feb. 22 – Extension - Departure
